

COMMITTEE MEMBERS

CHIEF PATRON

Dr.S.Kothandaraman
Principal

Pondicherry Engineering College

PATRON

Dr.R.Manoharan
Professor & Head

Department of CSE

Pondicherry Engineering College

CHAIRMAN

Dr K.Vivekanandan, Registrar & Dean (Students)
Department of CSE
Pondicherry Engineering College

ORGANIZING CHAIRS

Dr.P.Salini, Assistant Professor
Department of CSE
Pondicherry Engineering College

Dr.M.Thenmozhi, Assistant Professor
Department of CSE
Pondicherry Engineering College

Dr.R.Sarala, Assistant Professor
Department of CSE
Pondicherry Engineering College

REGISTRATION DETAILS

We accept payment by Net Banking / IMPS / NEFT
/ Demand Draft(DD)

S.No	Category	Registration Fee
1	Research Scholar / Students	INR 2500
2	Academicians	INR 3000
3	Industrial Person	INR 4000
4	Foreign Delegates	USD 300
5	Foreign Students	USD200

IMPORTANT DATES

Description	Date
Paper Submission Starts on	Oct 31,2019
Last Date for Paper Submission	Jan 30,2020
Deadline for Camera Ready Paper	Feb 15,2020
Accepted Notifications	Jan 15,2020
Registration Starts from	Jan 15, 2020
Last Date for Registration	Feb 15,2020

PUBLICATION DETAILS

All accepted and presented papers will be published in conference proceedings with ISBN number.

All high quality research papers will be considered for publication in **UGC / SCOPUS /SCI Indexed** Journals with additional charges.

ABOUT THE CONFERENCE

The International Conference on Innovations and Challenges in Computing, Analytics and Security-2020 is for researchers, professionals, students, academicians and professionals to gain an insight in the recent advances, new techniques and applications in the field of Computing, Data Analytics and Security. This Conference is organized by the Department of Computer Science and Engineering, Pondicherry Engineering College and is sponsored by TEQIP III NPIU (a Unit of the Ministry of Human Resource Development, India). The conference mainly focuses on three important fields of Computer Science and Engineering namely Computing, Analytics and Security.

- **Computing:** To enhance the knowledge about the latest Computing technologies pertaining to Cloud Computing, Machine Learning, Image Processing and Internet of Things for social development and problem solving.
- **Analytics:** To gain an insight into the methods and techniques for analyzing data to convert information to useful knowledge that could help us understand our world better and enable us to make better decisions.
- **Security:** To raise an awareness and understanding on the issues involved in Network, Privacy and Information Security with the increase in the scale of commercial activities over different networked systems and the shift from traditional Internet-based applications to newly emerging ubiquitous services.

ABOUT THE COLLEGE

Pondicherry Engineering College is an Institution promoted and fully funded by the Government of Puducherry. The College was started in the year 1984. The College has been growing from strength to strength since its inception. Pondicherry Engineering College is a partner Institute in TEQIP-III, which aims at twinning arrangements to build capacity and improve performance of participating Institutes. It is an autonomous Institution for the purposes of administration, staff recruitment and College development and is managed by a Board of Governors. PEC is ranked 76 in Engineering Category by NIRF India Rankings 2019.

ABOUT THE DEPARTMENT

The department of CSE aims at providing high quality training to students. In order to maintain the standard of education, the Department constantly upgrades the academic syllabi so as to keep the students well trained to deal with changing trends in the field of Computer Science and Engineering. The Department offers B.Tech. (CSE), M.Tech. (Distributed Computing), M.Tech. (Information Security), MCA and Ph.D. program.

The Department places emphasis on Human-Computer Interaction, Distributed and Parallel Computing, Data Science Essentials, Deep Learning, Machine Learning, Mobile App Development, Embedded Systems, Information Security, Ethical Hacking, Cloud and Big Data Security and several other recent topics. The students of the Department have placement and internship offers in major companies such as TCS, HCL, HP, UNISYS, QUALCOM, ZOHO, Nature Soft, NAL, ISRO, NLC, IGCAR etc. The Department regularly organizes a series of lectures by academicians and professionals of the highest repute, which lay stress on the latest innovative technologies in the field of Computer Science and Engineering and Information Technology.

CALL FOR PAPERS

Authors are invited to submit original contributions which are not under any review in any other conference or journal on topics covered under broad areas but not limited to the following:

- Track 1: Data Science
- Track 2: Networking Technologies
- Track 3: Sequential, Parallel, Distributed and Cloud Computing
- Track 4: Advances in Software Engineering
- Track 5: Multimedia, Image Processing and Embedded Systems
- Track 6: Security and Privacy
- Track 7: Special Track (IoT, Smart Technologies and Green Engineering)
